

Places to Get Pond or River Water Samples

Dry Creek, near Lemon Cove

Directions from Visalia:

- Drive East on Hwy 198 towards Lemon Cove (about 20 miles)
- Turn left on Rd 216/Lomitas Drive
- Take your first right on Dry Creek Drive
- Immediately pull over onto the shoulder on the right side of the road. There is a little pull-out where you can park your car. Walk down to the river and take a water sample.

Dry Creek Preserve

Call Sequoia Riverlands Trust to access the preserve. Explain that you want to collect a water sample for your class to do a project. (559) 738-0211

Directions from Visalia:

- Drive East on Hwy 198 towards Lemon Cove (about 20 miles)
- Turn left on Rd 216/Lomitas Drive
- Take your first right on Dry Creek Drive
- Continue up Dry Creek Drive (about 5 miles)
- Turn right into Dry Creek Preserve. It is marked by a large sign.
- Park your car. Walk down the trail to the river or the pond. See the preserve map at the entrance pavilion.

Other Places:

- Lake Kaweah
- St. John's River
- Any backyard fish pond
- Irrigation ditches
- Pretty much any standing water has macroinvertebrates
